KORN LEGACY CAMP
MENTORSHIP PROGRAM - 2027

To all potential new 2027 Mentorship applicants:

For years we have provided hands-on goalie coaching training to "volunteer coaches" who we take in as one of our own and share what we do. Many who have participated with us are now doing great work around North America and Europe. We welcome all levels of coaches. Some enroll their goalie child or goalies that they coach.

A Mentee is responsible for all their own expenses (travel, hotel, most meals, etc.) while serving the camp as a Coach. Korn Legacy Camp, along with myself, allow the Mentee full access. Korn Legacy Camp will cover your daily lunch, and occasional staff dinners/outings.

Staffing is an ongoing process…there is no hard deadline, but rather determined by the amount and caliber of applications during this process. In 2026, all selections were made by early January.

<u>To apply, please accomplish the following:</u>

- ***Send your hockey/work resume along with 3 references (include e-mail address & cell #)***
- ***Include a short essay describing how this Mentorship will benefit you and your students***
- ***Complete the Availability Form (below) and return all VIA E-MAIL***

We will make selections based on your resume, the competition, the volume of requests and timing.
Please feel free to reach out to me with questions.
Enjoy some thoughts & pics of past participants below.

Sincerely,
Mitch
Mitch Korn, Owner

Mitch, this has been on many levels so beneficial and an unforgettable experience. Your camp and crew are simply the best! I'm so grateful that you allowed me to be here. I would love one day to come back with my own son. Thank you so much. I am back In Czechia.
Tomas Duda, Columbus…Summer 2025

I was part of the Mentorship Program in Nashville and cannot thank you enough. The experience that this camp offers to everyone involved from the goalies and parents to the staff is second-to-none. Mitch, your passion and professionalism is recognized from the second the camp begins and only grows stronger every day. The opportunity to engage with you and learn firsthand how you coach and run a goaltending program was amazing. You brought me into the mix and not only was I helping coach but was also able to absorb an incredible amount of information. As a result of the mentorship program, your coaching and lessons can now indirectly be passed on to many goalies throughout North America. I cannot recommend enough the opportunity to participate in the mentorship program.
Kevin Delamarter…Nashville…summer 2024

Thanks, Mitch. One of the best weeks I've had in a long time. Thanks for everything. It was great.
Brian Abrams … Lockport NY … summer 2024

Thanks to all for a great camp. Was wonderful to be around everyone and to share our hockey knowledge, experiences and stories.
Cory Howard, Nashville…Summer 2025

Had the great privilege to mentee under one of the greatest goalie coaches ever. Mr. Mitch Korn and his knowledgeable and polished group of coaches. Each brought their own expertise and style. But nothing compares to Mitch's outside the box ways of training. The knowledge and connections I made will last a lifetime. I'll share the ice any time with these new goalie world brothers and sisters.
James Power … Northford CT. … summer 2026

You're an inspiration to us all and you set the gold level standard we all strive to attain. I just wanted to personally say Thank You for allowing me the opportunity to attend your camp in the Mentorship Program12 plus years ago and learn how to coach goalies. To be honest, I didn't have a clue how to begin even though I played the position. You single handily changed my life for the better. After working with you for 2 summers that opportunity opened up so many doors for me personally and professionally. One of the doors that opened up for me was getting the opportunity to work with USA hockey at the national level and back home in NJ with the Atlantic District. We have a lot of excellent goalies back home and they are all doing very well. It's remarkable to see the growth of the position. Here's an interesting fact, and a unique one. Almost every goalie coach I have met and or have worked with since your camp at 1 point or another worked with or for you. That's an amazing legacy and something that speaks volumes about you and as person and as a mentor. Good luck and once again Thank You!!
Terry Jarkowsky … USA Goalie Dev. Coordinator … Atlantic District

Thank you again for the opportunity to participate as a Mentor Coach at Reston. As I enter my 10th yr coaching goalies and continue building the program for Loudoun AA here, I came into the week hoping to sharpen my coaching and learn from you and your staff. **The four days exceeded every expectation I had**. The greatest value was not any single drill or technique; it was watching how you and the staff teach: how you break down the position, adapt to goalies of different ages and personalities, demand attention to detail without losing the joy of the game, and give every repetition purpose. Even after a decade of coaching, I left reconsidering how I explain skills, structure practices, and connect with individual goalies. My goal is to build a holistic goaltending culture in this region, one that develops the athlete, teammate, competitor, and person while bringing goalies, parents, and team coaches into a shared development environment. This experience gave me ideas I can apply immediately, but it also reinforced broader lessons about how to create a program where goalies feel challenged, supported, and genuinely seen. What makes your mentorship program especially meaningful is its ripple effect. By opening your camp and staff to regional coaches, you are not only helping the goalies attending that week. Dozens of young goaltenders throughout Northern Virginia will benefit indirectly from what I learned and can now bring back to them. That speaks volumes about your commitment to growing the position and developing the next generation of goalie coaches. Thank you for welcoming me as part of the staff, sharing your knowledge so openly, and giving me four unforgettable days of learning, helping, and laughing with an outstanding group of coaches. It was a privilege, and I hope I have the opportunity to contribute again in the future.
