ABOUT "KORN CAMP"

Back in 1977 Mitch Korn organized his first weekend **Specialized Goal Program** in Buffalo, NY. In between then and now, Mitch has developed this unique concept into camps that have grown into the **country's best** with 8 camps in 6 locations. It was Mitch's work in goalie camp that helped him land the job as the Sabres Goalie Coach in 1991. Looking ahead, **Korn LEGACY Camp** is being introduced to be here for years to come.

MITCH KORN ... *the originator, the innovator, the legend*

He is our patriarch and has impacted the goalie world for 50 years like no other. For his 36th NHL season, Mitch is back with the Nash. Predators as "Director of Goaltending". Korn's legendary career as a coach and director includes most recently 6 seasons with the **NY Islanders,** 4 with the **Wash. Caps**, 16 with the **Preds** and it all began in 1991 with 7 seasons for the **Buffalo Sabres**. Korn was a **Stanley Cup Champ with the Caps in 2018.**

Korn's vision and ability to build an amazing camp and camp staff annually has created a summer program that is very special and in great demand. ***To see Mitch's full bio, go to our website***. ***Can anyone match his 36 years of success in the NHL?***

DILLON CAFFREY...*the leader of the Korn Camp "next generation"*

A Nashville native and long-time assistant to Mitch, "Goose" is now a full-time NHL E-Bug. His work with the local youth hockey and many Korn Camp summers make him the perfect fit to help lead the ***Legacy*** voice. Conducting camp is important, but his intimacy to the 10 months of work required to run a great program is even more important. Dillon is the man for the job!

THE CAMP'S OBJECTIVE

Goaltending is more than just blocking. Our program will teach and drill the **physical skills** needed such as head tracking, shifting, full and half butterflies, power pushes, shuffles, transitions, recovery, stick skills, post play, etc., along with the **mental skills** such as save selections, "reading the play," angles, situational analysis, focus, etc. We provide a **"full day" experience**. ***A great staff is put together to assist Mitch and Dillon. THERE IS NONE BETTER!***

OUR PHILOSOPHY

There is no substitute for hard work. We work the goalies hard. But he also believes in having lots of fun. Humor is a big part of the teaching process. In addition, the goalies work together as a "fraternity" all camp.

THE CAMP'S FORMAT

The goalies receive 3.5 hours of ice time daily, plus 3 hours of structured off ice activities. Video is used to help teach and reinforce the skills of the day.

THE ON ICE PROGRAM

The ice time will be divided into 2 sessions. The first session is designed to teach and drill the skills of goaltending. The second session consists of "stations" with shooters and lots of pucks to help the goaltender "execute" on the skills taught. **We use great training tools such as low & high shot screen boards, deflection boards, a deflection ramp, an on-ice mirror, glove weights, pro-angle, the med ball "goalie stabilizer," bungee balls, focus enhancers, a head tracking leash, on ice video and mini & white pucks.**

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: video instruction, custom NHL highlight footage to help teach "goalie sense," mental skill development, positioning, reading and reacting, how to handle the many game situations, equipment innovations…and more!

EQUIPMENT NEEDED

All players must supply their own, and always wear properly, full, legal equipment. A camp jersey is provided. All players should be able to dress themselves for the ice. Parental assistance is permissible outside the locker rooms. Personal water bottles are optional.

INSURANCE/MEDICAL

EACH PARTICIPANT MUST POSSESS MEDICAL INSURANCE. Neither Mitch Korn, Dillon Caffrey nor anyone associated with Korn Legacy Camp will be responsible for any medical or dental expenses. Any accidents or illness will be treated at a hospital near the ice facility. Our medical form is available on our website for each to print. A medical and liability release statement is included on this form. It must be completed and signed by a parent or guardian and brought to check-in on the first morning.

AGES, STRUCTURE, & ENROLLMENT

We accept ages 9 - adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of four. What you do is important, not what the goalie does next to you. Enrollment is limited to 36 per group, first come, first serve. Two groups are formed. This is a commuter program - no housing is provided. **Ages are as of Dec. 31, 2027**.

REGISTRATION / CONFIRMATION E-MAIL / CHECK-IN

All registration is done online. Please see ***the page below*** for details. Once registered, you will receive an acceptance e-mail explaining how to access the camp final information sheet, and a medical form. **CHECK-IN will be on Monday morning at 7:30am. A full day will follow.**

COST/DEPOSIT/REFUND POLICY

Cost per goaltender is $920 (U.S. funds). A non-refundable deposit fee of $100 is charged and is applied to your tuition. The payment balance is charged on **May 5**. A message from Mitch…

Welcome to the introduction of Korn LEGACY Camp-2027. As I approach 70 years young, we need to prepare for camp to continue when I cannot. We do great work, so many benefit, and we want this to continue for years to come. Nashville native Dillon Caffrey (nicknamed "Goose"), long time camp coach, will be the face of the "new generation" as we work together to remain the best camp on the planet. I fully intend to remain present and involved, just trying to "lighten the load". *Nobody does what we do.* See you this summer!
