A message from Mitch…

Welcome to the introduction of Korn LEGACY Camp-2027. As I approach 70 years young, we need to prepare for camp to continue when I cannot. We do great work, so many benefit, and we want this to continue for years to come. Nashville native Dillon Caffrey (nicknamed "Goose"), long time camp coach, will be the face of the "new generation" as we work together to remain the best camp on the planet. I fully intend to remain present and involved, just trying to "lighten the load". *Nobody does what we do*. Adam McHugh continues as our Head Coach for the successful Defense camps. See you this summer!

KORN CAMP...a SPECIALIZED CONCEPT

Back in 1977 Mitch Korn organized his first weekend **Specialized Goal Program** in Buffalo, NY. In between then and now, Mitch has developed this unique concept into camps that have grown into the **country's best** with 8 camps in 6 locations. It was Mitch's work in goalie camp that helped him land the job as the Sabres Goalie Coach in 1991. Looking ahead, **Korn LEGACY Camp** is being introduced to be here for years to come.

MITCH KORN ...

the originator, the innovator, the legend

He is our patriarch and has impacted the goalie world for 50 years like no other. For his 36th NHL season, Mitch is back with the Nash. Predators as "Director of Goaltending". Korn's legendary career as a coach and director includes most recently 6 seasons with the **NY Islanders,** 4 with the **Wash. Caps**, 16 with the **Preds** and it all began in 1991 with 7 seasons for the **Buffalo Sabres**. Korn was a **Stanley Cup Champ with the Caps in 2018.**

Korn's vision and ability to build an amazing camp and camp staff annually has created a summer program that is very special and in great demand. ***To see Mitch's full bio, go to our website***. ***Can anyone match his 36 years of success in the NHL?***

DILLON CAFFREY ...

the leader of the Korn Camp "next generation"

A Nashville native and long-time assistant to Mitch, "Goose" is now a full-time NHL E-Bug. His work with the local youth hockey and many Korn Camp summers make him the perfect fit to help lead the ***Legacy*** voice. Conducting camp is important, but his intimacy to the 10 months of work required to run a great program is even more important. Dillon is the man for the job!

ABOUT THE STAFF

A highly qualified and experienced staff is put together to provide the best instruction and supervision. We guarantee that our staff will be more than just coaches or players… they will be teachers! For example:

for the Defense Program:

Adam McHugh:

-Program Head Coach

-14th year with Korn Camp

**plus several Asst. Coaches*

for the Goalie Program:

Besides Mitch and Dillon, we have a large staff of loyal, knowledgeable and energetic coaches with many still playing/coaching at the junior or collegiate level.

ABOUT THE GOALTENDER PROGRAM

OUR OBJECTIVE

Goaltending is more than just blocking pucks. We teach and drill the **physical skills** needed such as full and half butterfly saves, scrambling techniques, stick skills, power pushes, recoveries, transitions, post play, proper posture, etc., along with the **mental skills** such as save selections, "reading the play," tracking, angles, focus, situational analysis, "toughness", etc. We provide a **"full day" experience**.

OUR PHILOSOPHY

There is no substitute for hard work. We work the goalies very hard, but we also believe in having lots of fun. Humor is a big part of the teaching process. The goalies work together as a "team" or "family" all week. **Mitch is totally involved.**

THE PROGRAM'S FORMAT

In order to accomplish our task, the goalies will receive 4 hours of ice daily, plus 3.5 hours of structured off ice activities. Video is taken of the goalies to help teach and reinforce the daily skills.

THE ON ICE PROGRAM

The ice time is divided into 2 sessions. The 1st is designed to teach and drill the skills needed. The 2nd consists of "stations" with shooters and lots of pucks to help the goalie "execute" on the skills taught. **Great training tools like low & high shot screen boards, deflection boards, a deflection ramp, an on-ice mirror, glove weights, pro-angle, a med ball "goalie stabilizer," bungee balls, focus enhancers, head tracking leash, on ice video and mini & white pucks are used**.

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: equipment innovations, video instruction, uniquely developed NHL videos to help teach "goalie sense," mental skill development, reading and reacting, head tracking, how to handle the many game situations, …and much more!

AGES, STRUCTURE, AND ENROLLMENT

We accept ages 9 to adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of 4. What you do is important, not what the goalies do next to you. Enrollment is limited fills FAST. This camp is a commuter program . . . no housing is provided. ***Ages are as of December 31, 2027.***

ABOUT THE DEFENSE PROGRAM

ABOUT BEING A DEFENSEMAN

Good defenders are in great demand. All coaches search for these strong backliners to solidify the team's play in their own zone and to start the offense. Since the advent of Goalie Schools, defensemen have truly been **the most neglected players**. By far, defense is the most difficult position on the ice.

ABOUT OUR CONCEPT

The concept of "position specific" is not unique to summer goaltender camps . . . so why not bring the same concept to playing defense! We will break the defense's job down by zone and by skill to provide the most rewarding on-ice experience possible. Our feedback has been **FANTASTIC.**

THIS SCHOOL'S CURRICULUM

Our program will cover the following, and more:

*defenseman skating skills such as backward pivots, mohawk turns, lateral motions
*situational coverages - (1 on 1, 2 on 1, etc.)
*point play, shot blocking, pinching, shooting
*tying up opponents, initiating breakouts
*checking and angling; reading & reacting . . . and much more

AGES, STRUCTURE, AND ENROLLMENT

We will accept **ages 9-14**, with the **defensemen divided into 6 "teams" by age.** All ice work is done as an individual, with a partner, or in a "station." What you do is important, not what the player does next to you. Enrollment is limited to 6 defensemen per team. It is a commuter program with no housing provided. ***Ages are as of Dec. 31, 2027.***

THIS ON ICE PROGRAM

The participants will have two ice sessions daily totaling 3 hours, all geared toward defensemen and the skills they need to have success.

OFF ICE PROGRAM

Each day the defensemen will have a classroom session. In addition, we will use specifically designed NHL highlight video to help teach ***hockey sense, reading and reacting, and defense skills such as initiating breakouts, pinching, hinging, angling etc.***
